

 < make a hole

 < glue

carefully snap it
to the hole,
and glue it
inside the body

Wilson
The Dangerous Robot
p & c 2008 Eric Wiryanata for Thunderpanda
<http://thunderpanda.com>

Snap the same
letter together!

The hardest part in
making **Wilson** is to
keep him balance after
you finished this
paper-toy.
You may want to stick
him using a ducktape!
